

## JOHNNIES SONG

Enter three Johnnies.

VERSE, We're three lads from London  
As wide as wide can be  
We know a thing or two or more,  
It's very plain to see  
We've gone the pace, been in disgrace,  
We know our A.B.C.  
There isn't anyone alive,  
Could catch one of we three.

CHORUS. We're three london Chappies  
Three of the very cutest  
We're three London Chappies  
So very very fly  
Hooks or crooks can't catch us  
Sherlock Holmes can't catch us  
We're three London Chappies  
So swift, and yes so fly

(Dance and Exit)
